

SOUTHERN CITIES PRAYER WALK

FINAL SUMMARY

I want to personally thank my Lord Jesus Christ for His mercy, grace and faithfulness towards me and my wife as He helped us complete the mission of the Southern Cities Prayer Walk. Our adventure began February 1 and the walk was completed when I stood in the Pacific Ocean on July 14, 2019 at 8:00 PT. (2 Chron. 7:14). I believe the heart of this walk was connecting and building relationships with local, regional, national and international ministries.

Rock Church and Church Without Walls. All these are city changing ministries. Thanks to each of these laborers for loving this city and the people of San Diego! I walked along with and prayed for some people in a Gay pride parade on Saturday, July 13, at the encouragement of a local pastor.

I met the homeless, waiters, waitresses, clerks, businessmen and women, flight attendants, pilots, passengers, guards, police, security officers, moms, dads, kids, grandparents, mechanics, and carpenters. God loves the least to the greatest- so do I. Most prophetic words spoken over me concerning my ministry of prayer and exhortation speak to my calling to sow and sometimes water and partner with others to reap the harvest.

The confirmations from the Lord were sometimes hourly and daily, and they came with gentleness at times and at other times with great force. Much of my day was given to worship and adoration to our wonderful Lord through singing or praying in and by the Holy Spirit, and intercession and declaration. The love between my heavenly Father, and Jesus my Lord and me was so pure and powerful that at times it seemed that we were so one that nothing would be impossible for the Lord to accomplish. I believe the vision for the six months walk, **Open Heavens for the Final Harvest**, will come to pass.

I exhort you to love, worship, praise, be thankful, be obedient, be faithful. Two key words- **OBEDIENCE** and **FAITHFULNESS**.

To my friends who supported us through prayer and finances, called me with words of encouragement, gave me scriptures and prophetic words and reached out to my wife and I- THANK YOU! Words cannot express how much we appreciate you!! Check out all our pictures at our web site- theminstriycenteronline.org.

With grateful hearts-
